The pool is a 25m, 6 lane pool with the use of electronic timing and anti-wave lane ropes.

1 – Award Age groups will be by age as of the 19/12/2021, and the age groups will comprise 9, 10, 11, 12, 13, 14, 15 & Over.

2 – A competitor may only compete under the name of one club.

3 – Application for entry must have been correctly submitted by the specified date and accepted by the Promoter. Entries will be accepted on a first-come first-served basis. The Promoter reserves the right to reject any entry. Late entries may be accepted if the meet is undersubscribed.

4 – All starts will be into deep water (2m). 'Over the Top Starts' will be used for all events except Backstroke.

5 – Events will be seeded on submitted times. The promoter reserves the right to reduce the number of entries due to time constraints or another reason deemed necessary by the promoter – even when swimmers comply with the meet Consideration Times.

6 – All individual events are Heat Declared Winners. Swimmers will compete in one age group only, that being dictated by their 'age on the day'.

7 – The three fastest swimmers in each age group, per event, will receive a medal. Swimmers finishing in 4th to 6th position will also receive an award.

8 – Swimmers will collect their awards from the awards desk as the meet proceeds.

10 - All swimmers, officials and any spectators are requested to take a Lateral Flow test the day before the meet, and in the event of a positive test, must not attend the meet. Anyone withdrawing before the event owing to positive covid-19 test (LFT or PCR), should withdraw by email and will receive a refund on their entries via the home club if they attach a photo of the positive test. While waiting for races, swimmers will be spaced around the building, including on the small pool area, and spectating balcony. It is expected that spectators will **not** be able to attend and we will do everything we can to live stream the event, with a link emailed out to clubs and entrants before the event and posted on the websites of the Trafford Clubs.

11 – The promoter reserves the right to refuse admission to any competitor or spectator.

12 – Anything not covered within these rules to be at the discretion of the meet Promoter.

13 – Any club offering a licensed official for the duration of the meet will be given a free coach's pass. Any non-swimmer on poolside must be in possession of a coach's pass (£10).

14 - Please note there is no swim down facility at the pool. A separate warm up for both girls and boys will precede the start of each session - these may be divided on age if swimmer numbers are large. Swimmers should bring their own skipping ropes etc for cool down. Coaches, you are responsible for your swimmers at all times. NO DIVING AT SHALLOW END AT ANY TIME
